Dear Mr. Leaphart:

If you are in the office during the holidays you have noted by now that we served a copy of our Motion for Rule 11 Sanctions to start the running of the 21 days before filing . Though I was hesitant to do so, as I try to avoid such motions when I can, we felt this one had to be served and filed if necessary. To make a long story short ARA is not involved in those things you allege and even if something was done that was wrong, ARA was a part of it.

Would you consider dismissing ARA from the remaining claims in the Reynolds?

Thank you for your consideration.

*Wm. David Byassee*
